WEDNESDAY, : : : SEPT. 1, 1880 DEMOCRATIC TICKET.

FOR PRESIDENT, W. S. HANCOCK, OF PENNSYLVANIA FOR VICE-PRESIDENT, HON, WM. H. ENGLISH, OF INDIANA.

FOR GOVERNOR, JOHN V. WRIGHT, OF MAURY. FOR CONGRESS. CASEY YOUNG.

MEMPHIS TO-DAY.

The APPEAL of this morning is a plete picture of industrial Memphis. All readers a photograph that may be a guide munity despite the awful havoc of yellowfever epidemics. Stunned and dazed by the pathy of an appalled world, the people of ground, and planting themselves more firmly conceit, has secured to us good health, and, it is confidently believed, exemption from yellowand-a-half miles of sewers, to be extended to perfect peace and a fraternal brotherhood Without it the wealth of the Indies were a servicable and enduring-a work that is to be continued until all our highways are made models in point of solidity and cleanliness, Next follows our commercial achievements, These speak loudly of increase in volume ber, two months behind the usual time, we still made a large gain on the aggregate re-

thirty miles in a few weeks, and thirty miles | between the States, the south will bound into of drain-tiles, to be extended to fifty miles, unprecedented prosperity. The business the country have suffered. A few years ago the southern people were bayoneted to the earth. They could not rise, and they had President he and his party will strike terror not only to the south, but to the interests of every northern industry and business. For prosper with the southern half of the coun try politically and financially paralyzed, ness with one-half of his body physically paralyzed. Mr. Garfield and his party leadstill in rebellion and to be kept under Fedeceipts of cotton during the year before, and ral subjection. They will not have the situathe sales of dry goods, clothing and groceries have increased fully one hundred per cent. These facts, addressing themselves man and loyal to the constitution if they can prevent him. If he speaks and conjures powers of self-reliance and pluck that have to their kindred, and by the remembrance brought him through so many overwhelming they cherish for their dead, they either disdisasters will make for him friends wherever he may go, and increase a trade in which, to him what he did not say, as they are now despite epidemics, he has hitherto found a doing in the case of Wade Hampton. It is more than encouraging recompense. Already useless for him to deny-useless for him to protest against the cruelty of misrepresenting the demand for houses has increased beyond him to the northern people. They insist it keeping in his mouth words and sentiments the power of the carpenter and painter to put them presently in order, rents have increased, which he repudiates. The whole Republican Presidential campaign is now being run upon lords are again happy. Confidence is everytheory that every southern State government where apparent. To increase the trade of every southern man who is not a Republican Memphis is the present business of everybody. is in rebellion against the Federal government; that Hancock, one of the greatest of northern men and Union soldiers, if elected rebellion; and that Garfield must be elected to put and keep it down. For the past six Democracy for every measure that has con-About us there is a vast field of ripening cottributed to the general prosperity of the ton, and acres that testify of abundance of a majority in congress prosperous times coming power, and in which financial measures originate, that shapes the ways and means by which the material interests of the country are affected. The outlook for the south i indeed most encouraging. The cotton crop ever raised, and it is estimated that this these in the newer country of the fallow west year's crop will exceed last year's very conton crop has yielded at the ports of shipment an aggregate of \$4,000,000,000 in gold, paying the cultivators an average of \$60 a bale, or \$3,500,000,000, and yielding in surus to link ourselves by iron bands with a plus, over former averages (as a credit which destiny as grand as ever filled the measure of may rightly be placed to the account of free labor), \$600,000,000 in gold. In Arkansas the crop has increased from 111,000,000 pounds in 1870 to 318,000,000 pounds in 1878. distance only has broken. We must unite 500,000,000 in 1878, and probably 800,-000,000 pounds in 1880. The cotton ployment to 12,500,000 spindles, \$1,000,000, 000 capital in buildings, machinery and ope-The activities that to-day re- rating expenses, and found work for 800,000 persons.
